ANSWERED ON:21.07.2016
Air Services from Akola Airport
Jadhav Shri Prataprao Ganpatrao

Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the Akola airport has been made operational out of the non-operational airports;

(b) if so, the details thereof; and

(c) the names of air services being provided from this airport at present along with the names of the various cities to which such services are being provided?

Answer

Minister of State in the Ministry of CIVIL AVIATION

(Shri Jayant Sinha)

(a), (b) & (c) : Akola Airport is already an operational airport and is suitable for operation of ATR-42 type of aircraft. However, it is upto the airline operators to provide air services to specific places depending upon the traffic demand and commercial viability. Presently there is no scheduled flight operation at Akola Airport.
